### July 22-24, 2011

Wow! Over 264 barbershoppers converged on the UPS campus for a weekend of singing, learning, and fun! The shows featured: In Harmony, Stardust, The New Originals, Northwest Vocal Project, Overtime, Frenzy, and our super guests Vocal Spectrum. The ice cream social provided a great time for more singing - plus most of you had a lot of fun building your own ice cream sundaes! The Quartet Parade and the Afterglows in Trimble Forum - oh yes, a some great classes - rounded out the weekend.

An emailable version of the evaluation is available online for you all to provide us as much information as possible for planning the years ahead.

**THANK YOU TO ALL OF YOU!  
STUDENTS AND FACULTY!!**
