

# Three Great Workshops One Great Weekend!

In addition to Harmony College NW this year, the Evergreen District and Region 13 have added two dynamic workshops which are open to BHS and SAI members. (The workshops are starting ahead of HCNW).

## **SUPERCHARGING YOUR CHAPTER** **June 15**

Sing at a higher level and add new members; that's how you Supercharge Your Chapter!

Here is your chance to learn how to grow your chapter like never before and how to sing at a higher level. Join the creator of Supercharging Your Chapter! Learn why Ellinger's "TurboGrowth" program will revolutionize a chapter's approach to membership growth and retention.

Chapters that have not added a member in years have seen as much as 30% growth in just 90 days after employing the concepts set forth in TurboGrowth. The great thing is, it is simple, easy, and effective -- and best of all, every chapter can do it!

Don't get left behind. Attend Paul Ellinger's sessions and learn how to grow your chapter or how to sing at a higher level or both. You won't want to miss Supercharging Your Chapter! It is just another reason to attend on June 15th.

**Supercharge Your Chapter Workshop (1-day)**  
\$80: Resident (Todd-Phibbs dorm, meals, fees)  
\$25: Commuter (lunch, fees)

*"Several years ago, the Seattle SeaChordsmen brought Paul Ellinger out to give his "Supercharging your Chapter" talk. Paul's lectures were eye opening and a complete game changer for the SeaChordsmen. At the time he visited, the SeaChordsmen typically had 20 or so members at any rehearsal. We now regularly have 40+ sometimes as many as 50 and 70+ members on our roster.?"*
