

# Advanced Finale

Hi! You're getting this because you have signed up for my Advanced Finale class. I will assume that you already understand entering notes and rests, and ties and slurs, key and time signatures, and how to handle layers.

Beyond that, you tell me what you want to cover! Lyrics, BHS publishing conventions, generating learning tracks... Bring me your problems, and we'll do our best to solve them.

What will you need?

- A laptop computer, preferably with Finale 25 loaded.
- A mouse (unless you are *really* good with a trackpad.
- A numberpad. If your computer keyboard doesn't have one, I *strongly* suggest a USB model.
- A problem file (or two!)

If you have any questions or concerns, drop me an email at [wawoodman@aol.com](mailto:wawoodman@aol.com), or call me in Seattle, at 206-523-9628.

Looking forward to seeing you,

Mike Rosen
