## Other Opportunities Provided by Ted Chamberlain

### Northwest Voice Studio [<http://nwvoicestudio.com>]

- **Voice Lessons:** I am a professional voice teacher with my home studio in Puyallup, WA. I work with students from age 12 through adults of all ages. All experience levels. All styles.
- **Quartet and Chorus Coaching:** I coach men's and women's quartets, choruses and ensembles. While I specialize in Barbershop, I work with any vocal style.

### TED 'SHOPS' Vocal and performance workshops [<http://tedshops.com>]

- I periodically put on special workshops for singers, often geared toward barbershop singers. The workshops are usually 2 hours in length, and typically two related workshops are offered in the same day: one in the morning and one in the afternoon.
- Upcoming workshops

### Tools for Singers [<http://nwvoicestudio.com/tool/>]

- Vocal Conditioning Exercises (\$15)
  - These are designed and developed for male and female singers to improve the health and conditioning of their voice. It also serves as an AWESOME 12-minute vocal warm up routine for daily use, and before rehearsals/performances!
- Tuning Drones (\$20)
  - Unique and powerful tool for learning to sing in tune!
  - Also helps singers learn and improve overall "UNIT SOUND"

### Learning Tracks

- I record high quality custom Learning Tracks for men's barbershop groups
- Contact me for more information

### Sound Reinforcement

- Sound system, running the sound board, and performance-recording services for small and medium sized barbershop and Sweet Adeline events.
- Contact me for more information.

Feel free to take pictures/video and post on social media, things you have learned or a photo of you at HCNW using #HCNW2017
