

Wheelock Student Center

GPS Coordinates: N. Lawrence St. and N.14th St., Tacoma, WA 98406

updated June 14, 2014

Registration takes place at Wheelock Student Center, on the east side of the UPS campus. These directions will get you there!

1. From I-5 North or South, take **Exit 132 / Hwy. 16** and **merge onto Hwy-16 W.**
2. Take the **Union Avenue exit**
3. Turn **right at South Union Avenue**
4. Turn **right at 6th Avenue**
5. Turn **left at North Alder Street**
6. Turn **left at North 13th Street**
7. Turn **right at Lawrence Street.** Wheelock Student Center is a block ahead. You can park along the street or in the parking lot to the right.

Coming to UPS from the north/Seattle? The directions below are probably faster, especially if you are arriving during rush hour, as they will keep you out of Hwy 16 traffic. These directions will also work if you are coming from the south/Olympia, but the time savings won't be hugely different.

1. Take **Exit 133**, I-705 north/City Center exit.
2. I-705 "turns into" **Schuster Parkway**. Continue for approximately one mile, staying to the left.
3. Exit/veer to the left (Schuster Parkway), and follow Schuster along the Ruston waterway.
4. Proceed approximately 1.5 miles and **exit/veer right onto North 30th**. Continue through the traffic signal in Old Town and up the hill.
5. Turn **left at North Alder**. Continue approximately one mile. The campus will be on your right. You can park in the lot located at 14th Street.
