EVERYONE Registers for HCNW

Everyone coming to HCNW will need to register at: www.harmonycollege.org

- Ensure the quartet members know which sessions should be selected for “Quartet Coaching” rather than personal choice.
- Once quartet members have paid, coaches and sessions will be finalized.
- Quartet members are responsible for including their quartet name as part of their registration.

Notes

- Earlier expressions of intent mean better coaching and session choices however coaches and sessions are not finalized until all quartet members have paid.
- Quartets are urged to sign up for coaching in no more than three class sessions leaving time to also take valuable classes. You may sign up for as many coachings as you like but keep your quartet’s vocal and physical stamina in mind.
- Coaches will be tentatively assigned as soon as their intent to be coached at HCNW is received. Coaches are not finalized until all members have completed payment.
- Quartets can be accommodated up to 14 days before HCNW commences. After that date, quartets will be accommodated if possible.
